

Reading is just part of the adventure!

Blended Teaching and Learning

Aligned to the Curriculum

Improve Outcomes

Rewards and Recognition

Online Library

**Reading Eggs** is designed to support essential reading and phonics skills in an exciting way. The program uses a **highly motivating sequence** of online reading **lessons, activities** and **books** to keep students engaged while learning to read. Students can explore independently as they play in the Playschool, complete Driving Tests, enter new Storylands and create their own books with a scaffolded approach in the Story Factory - all while using their rewards to personalise their avatar and decorate their 'home.'

**With Reading Eggs, teachers can feel confident they are using a resource that:**

- ✓ Supports core literacy instruction with a **simple-to-navigate map format**
- ✓ Explicitly teaches **phonemic awareness** and **phonics skills** with captivating activities
- ✓ **Motivates** students and encourages a love of reading
- ✓ Provides real-time results with **instant feedback** and exciting rewards

A **diagnostic test** places students at the perfect reading level within the program to ensure each individual is working at their own instructional level, on the right pathway, and at their own pace.

**Reading Eggspress** builds up from Reading Eggs and is uniquely designed to teach learners essential reading, comprehension, vocabulary, spelling and grammar skills. With **220 comprehension lessons, 200+ spelling lessons and 2500+ eBooks**, Reading Eggspress helps students master comprehension skills.

The program focuses on **literal, inferential and critical reading comprehension questions** for skill building and metacognitive understanding. With a diagnostic test, students can start to use Reading Eggspress when they are ready.

Teachers love Reading Eggspress because it addresses key areas of comprehension and multiple strategies with a balance of **fiction and non-fiction texts** that increase in difficulty and provide the right amount of challenge.

- ✓ main idea and details
- ✓ compare and contrast
- ✓ making connections
- ✓ sequencing events
- ✓ cause and effect
- ✓ understanding character traits
- ✓ drawing conclusions
- ✓ predicting
- ✓ summarising
- ✓ fact and opinion
- ✓ point of view
- ✓ word study

....and so much more.

### Blended Teaching and Learning

Teachers are provided with a full **Teacher Toolkit** that includes interactive resources, student worksheets, teacher lessons, book notes and big books. Students can explore and progress independently as well as complete online tasks assigned to them to increase outcomes.

### Aligned to the Curriculum

All lessons are **aligned to curriculum outcomes**. With concept videos, guided practice, engaging games and competitions, interactives, various text types, multiple rewards and more – these two resources have it all. **Students and teachers** have access to 2500+ eBooks covering all subject areas and reading levels. Teachers can reference the lesson guide, paired with lessons plans and worksheets, to focus on specific curriculum outcomes.

### Improve Outcomes

**Diagnostic tests** and student management tools enable teachers to place students at various reading levels within the program. This ensures the level matches their reading ability and gets students successfully started on their journey to becoming proficient readers. Formative and summative assessment combined with comprehensive reports provide proof of growth and attainment within comprehension, spelling, reading ability and more.

### Rewards and Recognition

Multi-reward options engage learners as they move through their lessons. Students are rewarded with golden eggs which act as currency, motivating them to achieve. Rewards include a shop, clothing and accessories, games, play area, trading cards and more.

### Online Library

With the ever-growing Reading Eggspress Library, you won't have to search for books for your reading groups. The library contains over 2500 eBooks covering many curriculum areas such as history, people and society, geography, STEM, health and sport. Many eBooks are paired with book notes, lesson plans and worksheets.

# Don't just take our word for it.....

“Reading Eggs is an integral part of the learning that the school provides and contributes to the fact that all our children make expected progress, and most better than expected progress, in reading. It's such a practical resource, it covers all the aspects of reading: comprehension, spelling and grammar. I would definitely recommend Reading Eggs, the children love it!”

**Kilburn Park School**

“We use Reading Eggs throughout the school from Year 1, the phonics are very good, right up to Year 6. From the children's point of view, they especially love creating their own 'Eggsplorer', an avatar who represents them in lessons and games. It really motivates them and they don't realise they are mastering vocabulary and spelling at the same time.”

**Brookdale Primary School**

“Reading Eggs has proved very useful in helping our children to develop their inferential reading skills and therefore to read more strategically, while increasing their confidence in answering higher order thinking questions. Overall we've been very pleased that the resource has heightened the focus on reading in our school and has helped all our pupils to become more fluent and confident readers.”
