## Recently added:

**Habitats for Key Stage 1** introduces pupils to four habitats: rainforests, woodlands, seashores and oceans. They will learn about the plants and creatures that live in each habitat and what makes that habitat a good home for them.

**Animals for Key Stage 1** helps pupils understand how animals grow, move and eat, while learning about the body parts of different species.

**Authors (updated) for Key Stage 2** Anne Fine, Allan Ahlberg, David Lucas, Jane Hissey, Jeremy Strong and Oliver Jeffers read from their stories and give advice on writing.

## Topical news resources

Video bulletins, news articles and featured events highlight key world events for pupils from Foundation to year 6.
