What *is* Purple Mash?

Purple Mash is the digital vault of resources, games, tools and activities that's easily searchable by whichever area of the curriculum you're teaching; it's fully mapped to the English, Scottish, Welsh and Northern Irish primary curricula.

Differentiate activities to extend your more able and enjoy having all the resources you'll need in one place – with no app syncing! Just log in on a laptop, iPad, Chromebook, desktop or interactive board and you're ready to go!

Find out why over 7,000 schools love Purple Mash

Liz Weeks, Computing Coordinator Bailey's Court Primary School

Built-in CPD with every activity!

Where do you need support?

includes full schemes of work for computing and spelling, along with a variety of supplementary resources for every area of the curriculum.

Computing and Online Safety

What Purple Mash covers:

With a comprehensive **computing scheme of work** included, a complete tracking tool for assessment across key stages and brand new online safety lessons for 2019, this may just be the most up-to-date scheme of work for the primary computing curriculum.

You could try

Computing: Why not extend your more-able children in Year 6 with the gibbon free-code activities in 2Code. Don't worry if you're not an expert coder though, there are walk-through videos built in to provide CPD and support in just 10 minutes.

Online Safety: Teach your children the importance of staying safe online with all new lessons for 2019 and a range of interactive resources designed to check understanding.

English and Maths

What Purple Mash covers:

English: With resources, tools and games to support comprehension, GPS, writing and loads more, Purple Mash has everything you need to supplement the English curriculum.

Maths: A range of challenging maths games ensure your children make progress in maths and concepts are embedded across your whole school.
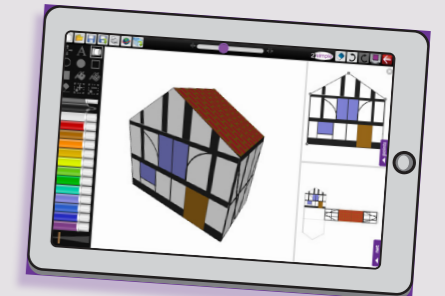

You could try

English: With a whole-school spelling scheme included, ensure full coverage of statutory common exception words and spelling focuses. Using both offline and online resources, all children will be able to access high-quality resources beyond the school. Save hours of marking and easily track results through our pre-populated spelling assessment tests and reporting functionality.

Maths: Perfect times tables with a range of interactive and collaborative activities, designed to prepare your children for the national tests, in the popular 2Race.

Geography, History, Science

What Purple Mash covers:

You'll find a range of supplementary resources and open-ended tools to teach topics such as evolution, the Great Fire of London or your local area.

You could try

Geography: simply search Local Area in the search bar to open up the topic pack. Why not set your class a publishing project on where they live?

History: Open the topic pack to watch your children create printable nets of Tudor houses they can design in 2DIY3D.

Science: Bring learning about evolution to life with 2Respond activities. Your children can email Charles Darwin himself, and will be sent real-looking replies in this engaging activity.
