

CASE STUDY

Your Favourite Teacher isn't just a fun-filled platform with dazzling visuals. As teachers ourselves, we want to make sure that using YFT saves you time and makes a real difference for the young people you work with!

From homework to revision, teaching/cover packs to support for your most vulnerable students, Your Favourite Teacher can help.

Putteridge High School

YFT Lead: Nicola Hickton

Director of English & Associate Assistant Head

Putteridge joined the Pilot of Your Favourite Teacher in 2018-2019 to support students in English Language and Literature.

YFT was primarily used for homework and revision.

- Specific YFT resources recommended to students for homework and revision
- YFT support at parent events to improve parental engagement
- Weekly league tables published to motivate students
- Holiday revision materials and booster sessions provided

IMPACT

Putteridge High School students celebrated a significant lift in results, with the school's Progress 8 score rising from -0.1 to +0.11 – above the national average.

Putteridge High School is now using Your Favourite Teacher with Year 10 and 11 students.

- English teachers review usage data weekly to reward and challenge students
 - Focus group of underperforming students is tracked closely by relevant staff
- The students have earned more coins than any other school in the country, with more than 3,500 hours of revision in the first term of the year!

The range and type of resources in English is unlike any other platform. Creative, exciting and engaging for proactive revision and learning.
