

CASE STUDY

Your Favourite Teacher isn't just a fun-filled platform with dazzling visuals. As teachers ourselves, we want to make sure that using YFT saves you time and makes a real difference for the young people you work with!

From homework to revision, teaching/cover packs to support for your most vulnerable students, Your Favourite Teacher can help.

Southchurch High School

YFT Lead: Tina Plucknett
Head of Year

Your Favourite Teacher was led by Tina Plucknett, Head of Year 11, with a focus on improving English and Maths results.

YFT was used in tutor time and as homework.

- YFT resources and staff used in booster sessions
- YFT usage data informed intervention and mentoring
- YFT used to facilitate parental support for students at risk of underperforming
- Used by pupils on long term absence

IMPACT

Southchurch celebrated significant improvements in the English Language, Literature and Maths results in August 2019, with the school's Progress 8 score rising by a massive 0.5!

The school has now launched Your Favourite Teacher with students in Years 9 to 11, and they are enjoying healthy usage of the platform, with around 3,000 hours of activity in the first term of the year.

2018-2019

I have been a champion of this platform from the moment I saw it and have not been disappointed. YFT was an integration revision tool for all of our Year 11s and a huge support for some of our most vulnerable learners.

Tina Plucknett, Head of Year 11
