## Change the World

### KS2 English — Writing to a pen pal

Imagine you are writing to a young person from Rwanda, in Africa. They are just about to start school thanks to support from global children's charity, Plan International, and are feeling nervous. They'd really appreciate some help from someone who already goes to school and knows what it is like.

**Task: Write a postcard explaining who you are, what your school is like and what you'd like to become when you grow up. Don't forget to include:**

- Your name, age, what class you are in and where you live
- What your school is like
- Your favourite subjects and why
- Your hobbies and interests.
